SERVICE AND FEATURE COMPARISON

Other
Company

<p>Dedicated office staff to handle all your needs! Make sure your inspector has this, or he will be taking other people's calls on YOUR inspection!</p>	✓	
<p>Reputation and Reviews 2100 5-star reviews, what more can we say?</p>	✓	
<p>Credentials Make sure your inspector is SC licensed (for SC), or ASHI certified in GA!</p>	✓	
<p>Experience We have conducted over 33,000 inspections! Experience is a HUGE factor in the quality of your inspection!</p>	✓	
<p>Best Technology We drone every roof that we cannot walk, and use thermal cameras for every inspection! Check if your guy will do this!</p>	✓	
<p>Insurance So boring, we know! But so important! Make sure your guy has E&O and General Liability insurance to cover you if something is missed!</p>	✓	
<p>Convenience Online scheduling, we accept credit cards, all electronic paperwork, reports within 24 hours, and once again a staff that can handle your needs so the inspector can focus on inspecting!</p>	✓	
<p>Extra Services Sometimes you need something more than just an inspection – pool inspections, radon and mold testing, sewer line evaluations, water testing and more-We got you covered!</p>	✓	
<p>Giving Back Chose a company you can feel good about – one that supports many local and global charitable causes! We are committed the communities we serve!</p>	✓
